## **Drought Management Task Force to meet in Cheyenne**

The Governor's Drought Management Task Force will hold a public meeting April 13 in Cheyenne to discuss drought conditions throughout the state.

During the meeting, task force members will discuss mitigation strategies for the upcoming year, as well as address other questions and issues regarding the drought in Wyoming. In addition, there will also be a soil sensor update and wildfire report, and reports from the Bureau of Reclamation, State Climatologist, Bureau of Land Management, Farm Services Agency, Forest Service, Natural Resource Conservation Service and Wyoming Department of Agriculture.

The meeting will be held in Herschler Building, room 1699. It will begin at 1 p.m. and is expected to adjourn by 4 p.m.
